

DATA VISUALIZATION OF TUBERCULOSIS DISEASE CASE STUDY

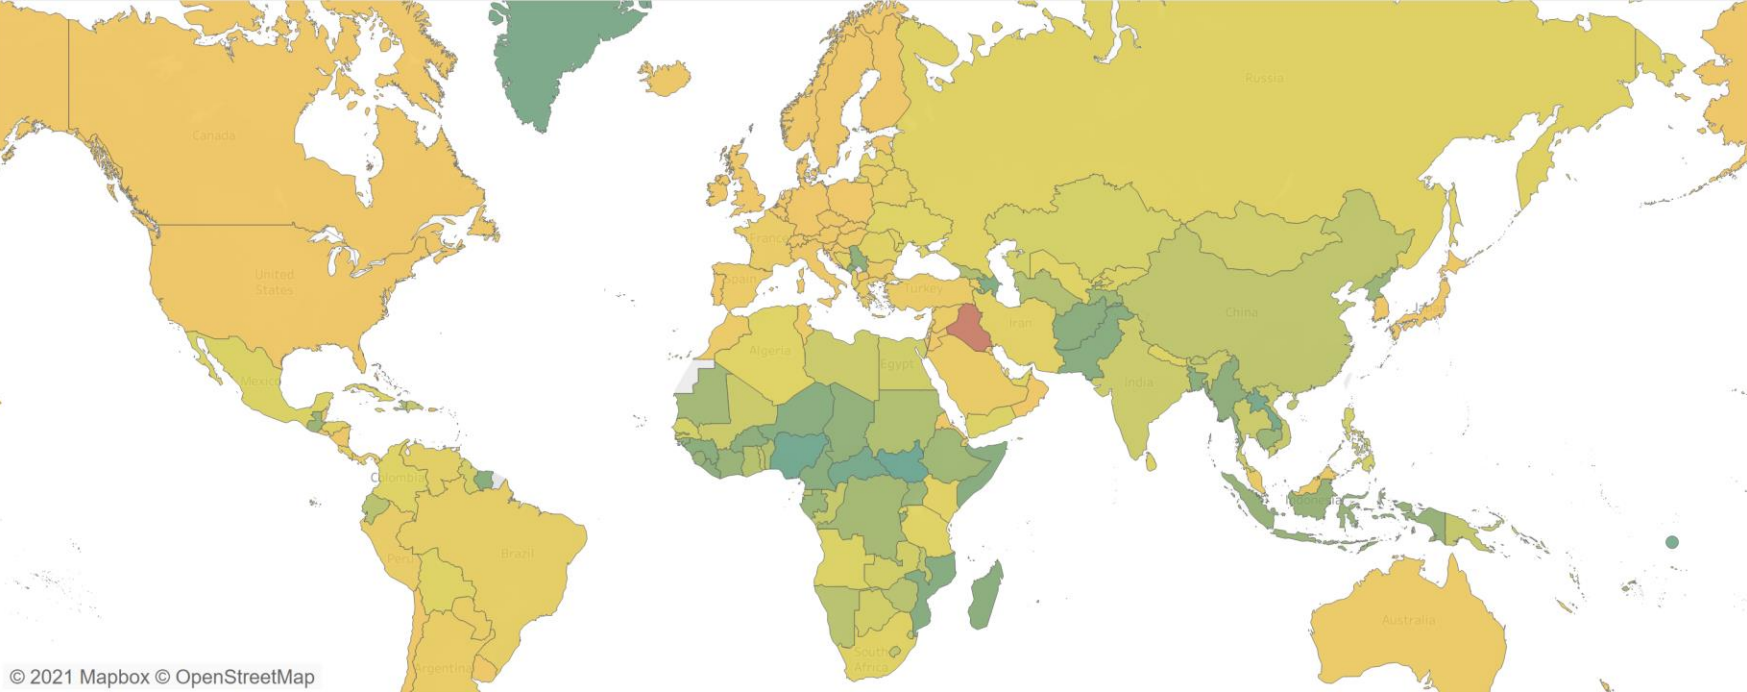

Total Population by Country (Top 10)

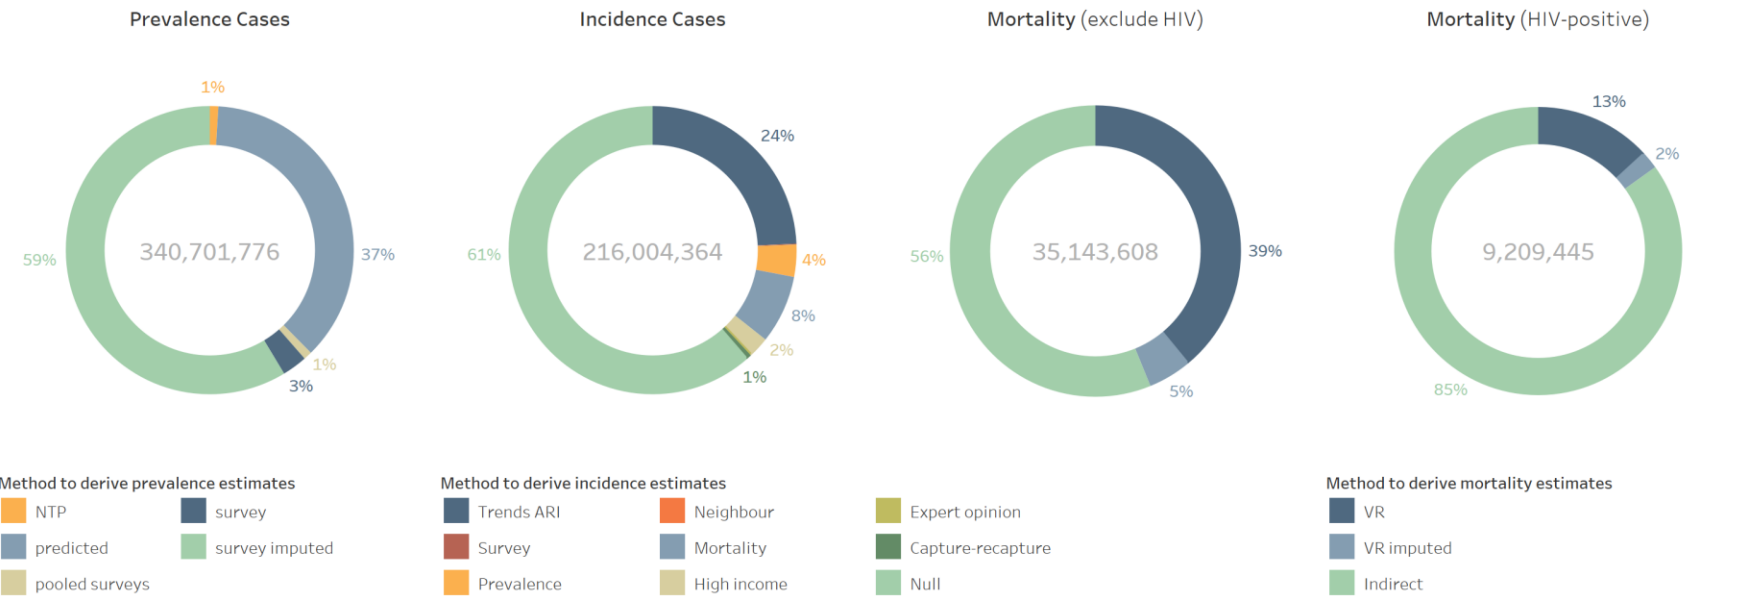

Total Population by Region

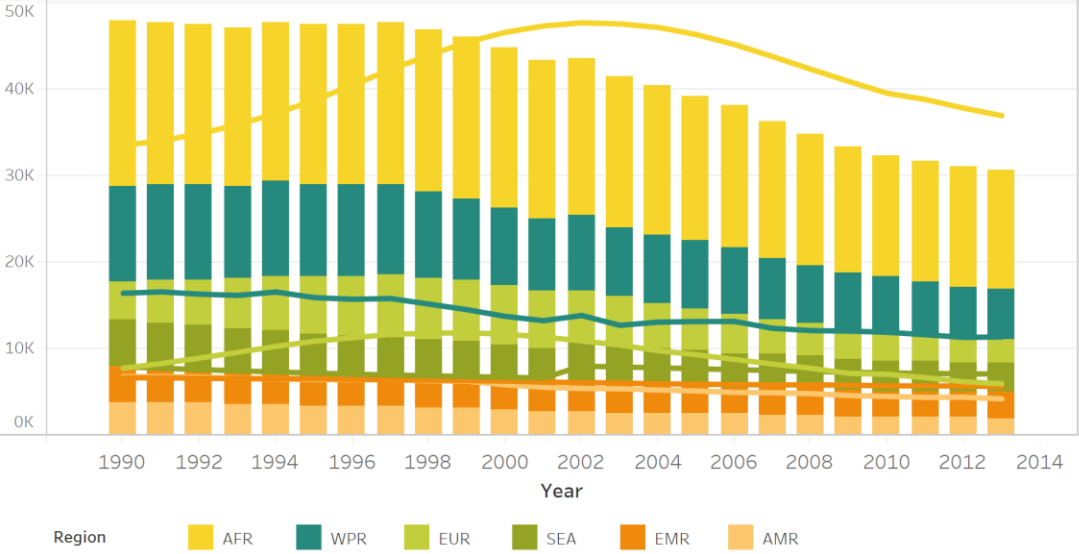

TB Case Detection Rate (all form) by Country

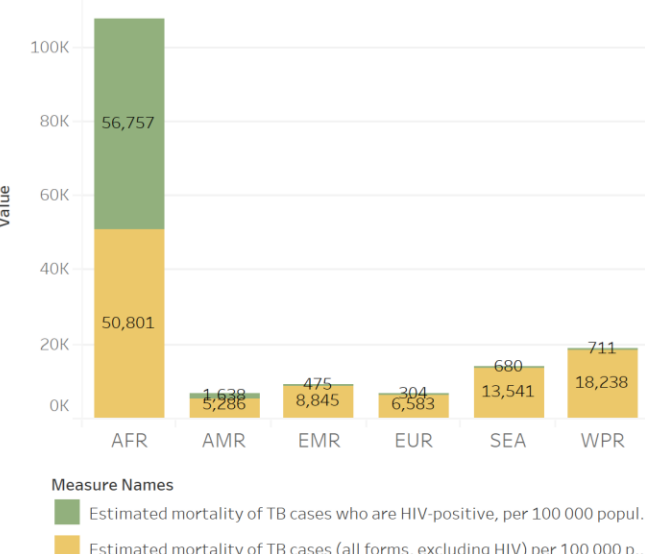

Methods for Derive Prevalence, Incidence and Mortality

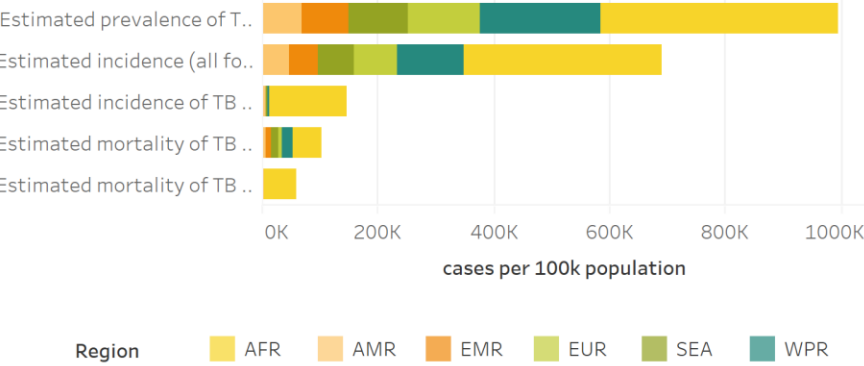

Estimated Prevalence of TB Cases by Region (per 100k population)

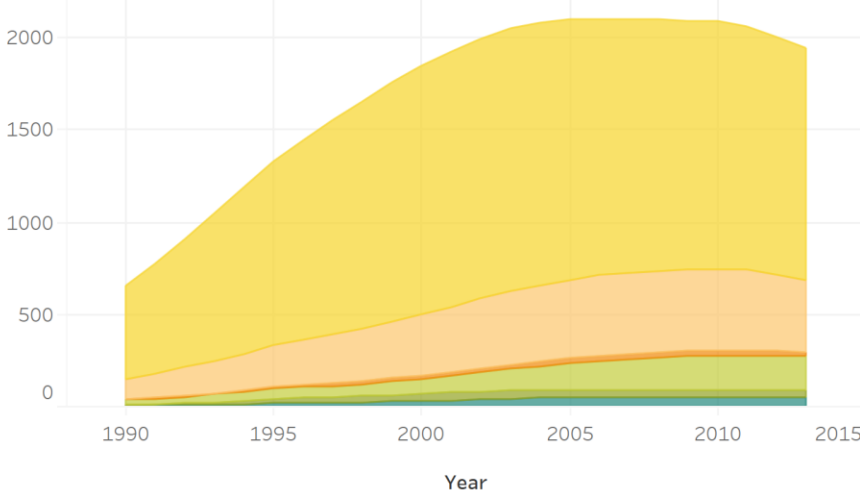

Mortality of TB Cases by Region (HIV-positive vs. HIV-negative)

Prevalence, Incidence and Mortality Rates

Estimated HIV in incident TB (1990 - 2014)

Estimated Prevalence vs. Incidence of TB per 100k Population (top 20 countries ranked by prevalence)
